"Cooperatives in Nation's Economy & SDGs "

Special Issue on The Occasion of 70th All India Cooperative Week Celebrations

Institute of Cooperative Management Madurai

(An Institution of National Council for Cooperative Training (NCCT), New Delhi,
Ministry of Cooperation, Government of India)

@icmmadurai

From Director's Desk.....

In the last 75 years since India's Independence, the cooperative sector has undergone various legislative, administrative and organizational reforms. In this line, a separate Ministry for cooperative sector has been established for the first time. The Ministry of Cooperation was established in India with the objective of promoting and supporting cooperative- based organizations across the country. The Ministry, that has completed two years on 6th July 2023, has undertaken major 54 initiatives in the last 27 months with the motto of "Cooperation for Prosperity". It also aims to address the growing need for a holistic and coordinated approach to harness the potential of cooperatives in various sectors, such as agriculture, dairy, fisheries, handlooms etc. These cooperative organizations are an essential part of India's socio-economic fabric, often serving as the backbone of rural and agricultural communities.

We as a training institute of National Council for Cooperative Training (NCCT) ensure the deliverance of effective training and development pertaining with the cooperation to designated officials, officers of the Cooperative department and also for the employees for various cooperative organisations across the state. Our Prime Minister addressed the nation on the occasion of 77th Independence Day said that "Cooperatives are a significant part of the country's social economy. He said that a separate Ministry of Cooperation has been created to strengthen cooperatives, modernise them and strengthen the biggest unit of democracy in every nook and corner of the country Prime Minister said that Ministry of Cooperation is spreading a network of cooperatives in the country, ensuring that the voices of even the poorest individuals are heard, their needs are met, and they can contribute to the nation's development. He stressed that India has chosen the path of "*Sahkar se Samriddhi*"

Every year November 14-20 is celebrated as "National Cooperative Week", the theme for the year's celebration is "Role of Cooperatives in \$5 Trillion Economy and SDGs" in this national mission of \$5 Trillion Economy, it is very proud to say that our Tamilnadu wishes to achieve \$1 Trillion Economy by 2030. In order to realise the role of Cooperation in this Mission, Hon. Minister of Cooperation, Govt. of Tamilnadu has presided over the State level Cooperative Week Celebrations at Pudukottai. We have utilised the Cooperative week celebrations as an opportunity to extend our outreach to new extent. We have conducted maximum number of programmes in the month of November. At this juncture, I pay my sincere gratitude to our Head office NCCT- our Secretary, also I thank the Registrar of Cooperative Societies (RCS) of Tamilnadu, Additional Registrar / MD of TNCU, Regional Joint Registrars and CSR / MDs of District Cooperative Unions of Madurai, Theni, Tuticorin, Cuddalore, Sivagangai, Viruthunagar, Ramanathapuram, Ariyalur, Perambalur, Salem and Karur districts for extending their support in achieving this milestone. I also thank all of our faculties and staff of ICM Madurai who are all behind this effort.

With this, we very much privileged to present our November month News Letter which showcases our accomplishments.

Dr S Dharmaraj
Director i/c
