**(An Institution of National Council
for Cooperative Training
(NCCT) - New Delhi
Ministry of Cooperation,
Government of India)**

About Us

The Institute of Cooperative Management – Madurai was established in 1983. It is one among the 20 Institutes functioning in the country under National Council for Cooperative Training (NCCT) – New Delhi, which is promoted by The Ministry of Cooperation, Government of India. Since its inception, the vision of the institute has been excellence in cooperative training and the synergy between training, research and consultancy that enabled professionalization in cooperatives. As a main stream activity, the institute is offering training to the employees and officers of various cooperative institutions. It also extends training to the officials of cooperative department and other departments of Government of Tamilnadu.

Higher Diploma in Cooperative Management (HDCM)

The Higher Diploma in Cooperative Management (HDCM), the flagship programme of NCCT, aims to educate and nurture individuals aspiring to excel their career in the cooperative sector with emphasis on providing comprehensive management skills. The curriculum is meticulously crafted and updated from time to time to align with requirements of the Cooperative Sector. In the context of evolving business dynamics and challenges in the cooperative ecosystem, new scheme and syllabus provides analytical skills and decision making abilities to the human resources in the cooperative sector. In the emerging competitive environment, the inputs of the course will be helpful for professional approach with the use of all marketing techniques and strategies in place. The course aims to equip candidate to pursue promising career in cooperative sector.

Objectives of the Programme

The course outlines to infuse professionalism with following objectives:

- To provide comprehensive cooperative education to the participants.
- To equip participants with set of management skills tailored for the cooperative sector.
- To enhance analytical abilities and managerial effectiveness in cooperatives.
- To identify opportunities, challenges and innovative practices in management of cooperatives.

Methodology

Since the programme intends to shape-up and sharpens the managerial and decision-making skills of the aspirants, the methodology of the programme includes the following:

- Management Cases/Case Study Analysis
- Case Presentation
- In basket exercise, Quiz & Written Test
- Group Work/Exercise and Discussions
- Field Visits & Observation Study
